

..  
A 60-minute interactive  
class to educate drivers on  
the best and safest ways to  
use the road with people  
walking or riding bicycles.  
..

# OREGON FRIENDLY DRIVER

 **Transportation Safety**  
Oregon Department of Transportation

The Oregon Friendly Driver class discusses:

- The safest ways to utilize your roadway network
- What's legal and what's not legal for people driving, people riding bicycles and people walking
- Common crashes and how to avoid them
- Why people riding bikes leave the bike lane and how people driving can respond
- How to use road way features such as: sharrows, bike lanes, and rapid flashing beacons.

**\*\*\*All Friendly Driver Trainings are FREE\*\*\***

Upon completion, participants receive a window cling and certificate
